🗓 SCRUM Meeting 3/5/2024

	Name	Progress 🧐	Priorities 😊	Problems 😐

1	@agoodm40	• Created Profile Table
		• Created Games Table
		• Created ProfileGames Join
		• Web Services
		  ◦ Zip Code → Coordinates
		  ◦ Coordinates → Time zone
		  ◦ Time zone → UTC Offset
			• Game Library API
			• Web Service Callbacks
			• API Documentation
			• Review PR comments and commit updates.
				• Error handling (Resolved)
				• API Docs
				• Add Tests

2	@King Major	• Created MatchMaker Logo • Styled navigation bar with links • Updated footer • Started work on integrating user data into the profile page • Created routing logic for rerouting to profile page || home page • Identified profile page reqs	• Routing • Profile page data integration • Header navigation	• Lack or experience with CRA boilerplate, yarn, and TS
3	@Edward Jesinsky III	• Created Friend model, Friends	• Finish off the main backend endpoints,	• Authentication secrets (resolved

#		Done	To Do	Notes
		CRUD endpoints • Created Group model, Groups CRUD endpoints • Created FriendRequest model, Friend Request CRUD endpoints • Created Group Membership model, Group Membership CRUD endpoints • Added unit/integration (request) tests	aside from the Matching logic	with Adam)
4	@Arbern Lim	• Initialized Redux state for user profiles • Set up Profile state management with actions and reducers • Integrated Redux Saga for fetch and update operations • Developed test UI component for API testing	• Refine state selectors and hooks • Prepare a rudimentary UI component for testing • Prepare for integration with backend services	

🥅 Goals

- Research Papers Check-in
- SCRUM Meeting Artifact
- Establish Profile Attributes
- Review Pull Request

🗣️ Discussion Topics

Time	Item	Notes
6:00PM	Research Paper Check in	
6:10PM	Pull Request Review	Error handling?
6:25PM	SCRUM Meeting	Choose Profile Attributes

✅ Action Items from Last Meeting

- ☑ Create User Stories

- ☑ Estimate Story Points @King Major   @Edward Jesinsky III   @Arbern Lim   @agoodm40
- ☑ Create Tasks
- ☑ Update Documentation

↩ Decisions

- **Profile Table Attributes**
    - Zip Code
    - DOB
    - Intensity
    - Skill Level
    - Language Tolerance
    - Days
    - Times
    - Games
    - See User Story
        - Replace Strings with Integers when possible.

✅ Action Items

- ☐ Complete Sprint 2
- ☐ Sprint 2 Retrospective
- ☐ Consolidate Artifacts into GitHub
- ☐ API Documentation
- ☐ Code "Mobbing" Artifact
- ☐ Start thinking about matching algorithm
